

Diego Chinni

Communication Designer

Experience

2024 - Milan

Editorial Designer – Oltre la Visione

Conceiving and designing the editorial layout of Oltre la Visione, a magazine within the DesignVerso series dedicated to the Milanese designer Franco Grignani. The project investigates and articulates, through a structured system of sections, the key aspects of his career and personal trajectory.

2025 - Milan

Project Reviewer

Review and consulting student teams developing experimental, innovation-driven projects within the Metaproject Laboratory of the Bachelor’s Degree in Communication Design at Politecnico di Milano.

2025 - Milan

Web Developer - Unverse

Designing and developing a sperimental website inspired by and in collaboration with the Italian singer-songwriter, record producer and multi-instrumentalist Andrea Venerus, commonly known simply as Venerus.

2026 - Milan

Communication Designer - IPT Team

Supporting the development of IPT Team’s visual identity, contributing to logo design and brand definition under the guidance of the communication lead. Involved designing of website, content creation and communication activities.
