

Diego Chinni

Communication Designer

Experience

2024 - Milan

Editorial Designer – Oltre la Visione

Conceiving and designing the editorial layout of Oltre la Visione, a magazine within the DesignVerso series dedicated to the Milanese designer Franco Grignani. The project investigates and articulates, through a structured system of sections, the key aspects of his career and personal trajectory.

2025 - Milan

Project Reviewer

Review and consulting activities for student teams developing experimental and innovation-driven projects within the Metaproject Laboratory of the Bachelor’s Degree in Communication Design at Politecnico di Milano, providing support through refinement of project concepts, approaches and outcomes.

2026 - Milan - Ongoing...

Jury Member - Milano Est Film Festival

Selected as a member of the MEFF General Jury, a cultural festival dedicated to independent cinema. Evaluating short films from 21 countries across the competition categories, contributing to the selection of finalists through the dedicated platform Filmfreeway.

2025 - Milan

Web Developer - Universe

Designing and developing an experimental website inspired by and created in collaboration with the Italian singer-songwriter, record producer, and multi-instrumentalist Andrea Venerus, widely known as Venerus, exploring his artistic identity through an immersive digital experience focused on visual, conceptual and interactive elements.

2026 - Milan - Ongoing...

Communication Manager - IPT Team

Coordination of IPT Team’s communication activities, overseeing the management and development of the visual identity, the supervision and organization of content, the creation of communication materials, and the direction of the team’s overall communication initiatives to ensure consistency and alignment across all outputs.
